## Change of reference

Disposable sample cells (3 014 050 343) and sample cell frames (3 014 050 342) were both replaced by a single disposable cell (3 200 847 450).

From the 1<sup>st</sup> of February 2020, we will stop ordering the previous references:

**3 014 050 342 Sample cell frames 30pcs/box**  
> obsolete (Horiba France stock = 0)

**3 014 050 343 Disposable sample cell 100pc/set (2 boxes of 50)**  
> will be sold while stocks last

The new reference is fully suitable for analyzers of SLFA models 20, 2100/2800, 60, 6100/6800, MESA models 50, 7220, XGT models 7000,7200,9000.

**3 200 847 450 DISPOSABLE CELLS WITH FRAMES, 48PCS/BOX**  
Each box will contain a set of 48 disposable cells.\*

\* New disposable cells will be different from the previous parts and will not be compatible.
